Introduction and aims

We believe that volunteers provide a valuable contribution to the school's work, and that they enrich the school through the breadth of their knowledge and experience. We welcome volunteers into school to support the curriculum and to enhance pupil's school experience.

We are committed to using volunteers in a way that supports the school's strategic aims and vision, as well as its development plan.

The aim of the Manor MAT volunteer policy is to:

- Encourage the wider community to engage with the school, thereby enhancing the curriculum, raising achievement and promoting community cohesion
- Ensure that volunteers support the school's vision and values, and adhere to our policies
- Provide staff, volunteers and parents with clear expectations and guidelines
- Set a clear, fair process for recruiting and managing volunteers

This policy has been developed in line with the Department for Education's statutory safeguarding guidance, [Keeping Children Safe in Education](#).

2. How we use volunteers

At Manor MAT, volunteers may:

- Hear children read
- Accompany school visits
- Work with individual children
- Work with small groups of children
- Support specific curriculum areas, such as ICT or art

This isn't an exhaustive list.

Volunteers may be:

- Members of the governing board
- Parents
- Former pupils
- Students on work experience
- Local residents
- Friends of the school/members of the PTA
- Local clergy or members of the congregation

This is not an exhaustive list.

Members of the governing board working at the school in their capacity as governors (for instance, conducting school monitoring visits or attending meetings), are not covered by this policy. They are covered by our governor code of conduct.

3. How to apply to volunteer

Anyone interested in becoming a volunteer in school should make contact with the school office and then by completing an application form. (Appendix 1)

At times, volunteers may work in school who have been recruited via another agency. These volunteers will still adhere to this policy, the code of conduct and safeguarding principles set out within it.

4. Appointment of volunteers

Volunteers are appointed by a nominated person who is a senior leader in school, trained in Safer Recruitment.

Intake of new volunteers can take roughly 6 weeks and is dependent on the candidate, available spaces within the school and also the return of sufficient references and GDS checks.

All appointments are conditional upon the completion of an enhanced DBS check (if appropriate) and other appropriate safeguarding and recruitment checks, and relevant training.

The school reserves the right to terminate a placement at any time.

Enhanced DBS checks for volunteers working in the school through other organisations will be conducted by the relevant organisation. The school will ask for written confirmation that enhanced DBS checks have been carried out before a volunteer is allowed to start work at the school.

Following the return of an application form, an applicant will be asked for an interview in school to support the selection process.

5. Safeguarding

Safeguarding our pupils is of paramount importance, and our volunteers must share our commitment to child protection.

To ensure we're upholding our responsibility to keep our pupils safe, we will:

- Conduct enhanced DBS checks on volunteers who:
 - Work one-on-one with pupils unsupervised
 - Work with groups of pupils unsupervised
 - Supervise or accompany groups of pupils on overnight residential visits
- Consider the results of any DBS checks that return with unspent and spent listed convictions, and assess these on a case-by-case basis, with regard given to the nature of the conviction and the nature of the work the volunteer will be involved in
- Provide safeguarding training to all volunteers **prior** to them beginning work at the school, including ensuring that they have read and understood part 1 of Keeping Children Safe in Education.
- Require volunteers to agree and adhere to our code of conduct (see appendix 2) and to read, and adhere to, the school's policies on:
 - Safeguarding
 - Use of mobile phones
 - ICT and internet acceptable use
 - Online safety
 - Behaviour
- Ensure that volunteers without an enhanced DBS check are always supervised, and are never left alone with pupils
- Conduct a risk assessment to determine whether a volunteer who isn't working in regulated activity needs an enhanced DBS check. The risk assessment will consider:

- The nature of the work they will be doing
 - What we know about them
 - References from employers or other voluntary roles
 - Whether the role is eligible for an enhanced DBS check
- Visitors can be considered as someone who is 'volunteering' at your school on a one-off basis, especially if they won't be working unsupervised. Any visitor working unsupervised with pupils will require an enhanced DBS certificate.
- For volunteers in school, a DBS certificate will be sought via school, or checked through the update service if applicable.
- Volunteers working in school will be added to the Single Central Record and updated accordingly.

6. Induction and training

Volunteers must complete appropriate training prior to beginning work at the school.

Training requirements will be determined by the headteacher, or the appropriate member of staff.

All volunteers must have safeguarding training. Other training requirements will be based on the nature of the work the volunteer will be doing. The induction procedure will cover an overview of key policies and practices:

- Health and Safety (including fire)
- Use of Mobile Phones
- Use of Social Media
- Acceptable Use Policy (if appropriate)
- Code of Conduct
- Confidentiality

7. Confidentiality

Information about pupils, parents and staff is confidential. Volunteers are not permitted to discuss issues related to pupils, parents or staff with those outside of the organisation.

If volunteers have concerns, they should raise these with the appropriate member of staff. They shouldn't discuss them with pupils or parents.

This doesn't prevent volunteers from adhering to the school's safeguarding policy (with regard to reporting safeguarding concerns or disclosures).

If concerns relate to safeguarding, volunteers must follow the guidance in our child protection and safeguarding policy, and inform the designated safeguarding lead.

If concerns are related to whistle-blowing, volunteers must follow the guidance in our whistle-blowing policy.

8. Conduct of volunteers

Volunteers must comply with the code of conduct set out in the appendix to this policy.

9. Expenses

It is not expected that volunteers should claim expenses from school. Should materials or other purchase need to be made, this should be done in line with normal procurement procedures.

10. Insurance

The school's insurance policy does cover volunteers in the event of an accident or emergency.

If a volunteer is working at the school through another organisation, we will also check that organisation's insurance arrangements.

11. Data protection and record keeping

Our privacy notice for volunteers explains what information we collect about volunteers and why we collect it.

We will retain records relating to volunteers in line with our records retention schedule.

- 2.6. Parent volunteers with children at the school must not act in a way that favours their own child, and should not approach their child unnecessarily during the school day (for instance, during break times). They may not use their time as a volunteer to discuss their child's education with school staff.

- 2.7. If a volunteer is unable to come to school when they are expected/scheduled to be in, they must contact their supervisor or the school office as soon as possible. Inconsistent attendance may result in the placement being reviewed or terminated.
